125. (New) The interior rearview mirror system according to Claim 110, wherein said rearview mirror assembly includes a mirror casing, said casing including at least one indicator.

REMARKS

The amendments to the specification are to update patent number information for several referenced patent applications. The amendments presented herein are fully supported by the application as originally filed. No new matter has been entered.

An early and favorable action on the merits is respectfully solicited.

Respectfully submitted,

BARRY W. HUTZEL, ET AL.
